

# preschool listings

Use this comprehensive list to help your wee one get to the head of the class

**Editor's note:** Many of these schools also offer day care and extended care, and some are fully accredited schools serving students from first grade through high school. For this list, however, we focused on preschool programs. For information on other programs offered, please contact the schools directly. If your school is not included and you would like it to be in the future or your listing needs updating, contact Betsy Stein at [bstein@patuxent.com](mailto:bstein@patuxent.com).
